THE

ACCESSORY SHOP

In 1979, we opened our doors and like now, we installed and also catered to do-it-yourselfers.

Back then, we specialized in "Van Conversions" and everything associated with that as well. We were one of the largest retailers and converters in Metro Detroit for many years.

As times-changed, so did we. As van conversions changed to pickup trucks, we too changed what we offered and installed for our customers as well. Then SUVs, cars, trailers. And YES, we are STILL family owned and operated... stop by and visit and even meet our shop dogs!!!

Jack Demmer grew up around cars. In the 1930's his father, Charles Joseph Demmer, sold used cars from their family home on 14th Street in Detroit. At the age of 16, Jack sold his first car, a 1935 Ford Coupe for \$135.00, resulting in a \$7.50 profit. More than 50 years since its origination, the Jack Demmer Automotive Group is still family owned and operated (three generations) today Discover the Demmer Difference at any one of our Wayne or Dearborn locations including the Quick Lane at Jack Demmer Lincoln and the Quick Lane at Jack Demmer Ford.
